Hi Colin,

We are putting in the paperwork to get this over to you. Looking at the timeline with legislative approval, this may take until end of April at the latest. Thanks.

**Subject:** National Grid, 304 Madison Street (Gov Mansion) Gas Replacement

Good morning,

I have attached the easement we discussed. Please review and reach out if you have any questions. We need to replace this gas main that connects to the NYS Executive Mansion. Please have a representative of Albany County sign the easement and have it notarized. Then the original wet copy will need to be mailed back to me. Thank you for your time.
