Justification: (state briefly why legislative action is requested)

Albany County Department of Health (ACDOH) has been notified of an additional \$975,815 in grant funding for COVID-19 response activities for the period of 7/1/20 - 3/31/2023. The funding is to be used to increase health department staff in order to provide rapid and complete case investigations and also supports our community vaccination efforts. ACDOH is requesting approval to accept this additional funding, amend the 2021 health department budget and extend the contract to March 31, 2023. This funding will cover staff overtime, continue to fund the positions created under this grant, and fund per diem registered nurses for vaccination clinics.
