Justification: (state briefly why legislative action is requested)

To accept the stimulus funding for III-C1 Congregate Meals Program from New York State Office for Aging. This funding will provide additional needed congregate meal services to older adults in Albany County.

During the pandemic this past year 2020, the Albany County Department for Aging supported congregate meal sites within the county that provided 101,033 nutritious meals in the form of a grab and go concept with meals approved by a registered dietician. The program is open to people who are 60 years or older, or the spouse of an eligible individual regardless if age. The congregate meal program traditionally provides older adults with an opportunity to interact with others, thereby reducing social isolation, but during the pandemic it made sure that older adults were able to still receive nutritious meals during NYS executive order in response to the pandemic.
