DESCRIPTION OF REQUEST: (state briefly why legislative action is requested)

The Department of General Services respectfully requests approval of a bond resolution authorizing \$600,000 for MVP Arena Architectural and Engineering.

Many of the MVP Arenas facilities are aged and would benefit from a structural and engineering evaluation. The proposed evaluation will allow the County to make the best use of its resources. This project will include evaluation and engineering fees starting in 2025, with any construction beginning in the out years.

These projects are included in the current Capital Plan - Architectural and Engineering C2602.
