Justification: (state briefly why legislative action is requested)

To accept the III-C1 Congregate Meals Program grant from New York State Office for Aging. This grant funding will provide congregate meal services that to older adults in Albany County.

During the past year, the Albany County Department for Aging supported congregate meal sites within the county that provided nutritious meals approved by a registered dietician to older adults. The program is open to people who are 60 years or older, or the spouse of an eligible individual regardless of age. The congregate meal program not only provides older adults with nutritious meals but also provides them with an opportunity to interact with others, thereby reducing isolation and loneliness.

During the first quarter of 2022 the COVID pandemic shut down congregate dining and changed the program to a grab and go format, which gave older adults the ability to continue to receive a nutritious meal.
