Re: DGS Bond Resolution - County-wide Facilities Evaluation B1501

Dear Chairwoman Cunningham:

The Department of General Services respectfully requests approval of a bond resolution authorizing \$500,000 for County-wide Facilities Evaluation.

Many of the County's facilities are aged and would benefit from a structural and engineering evaluation. The proposed evaluations will allow the County to make the best use of its resources. This project will include evaluation and engineering fees with construction beginning in the out years.

These projects are included in the current Capital Plan - County-wide Facilities Evaluation B1501.

If you should have any further questions, please do not hesitate to contact me.

Sincerely yours,

David M. Latina
Commissioner
