RFP DISTRIBUTION- *IMPORTANT NOTICE*

The County of Albany officially distributes RFP documents through the Purchasing Division Office or through the Empire State Bid System website at <http://www.empirestatebidsystem.com>. Copies of RFP documents obtained from any other source are not considered official documents. Only those vendors who obtain proposal documents from either the Purchasing Division Office or the Empire State Bid System are guaranteed to receive addendum information, if such information is issued.

If you have obtained this document from a source other than the Albany County Purchasing Division or the Empire State Bid System, it is strongly recommended that you obtain an official copy.

SECTION 1: PURPOSE

- 1.1 The County of Albany is seeking proposals for *a round of mini-grants for Albany County substance use prevention, treatment and recovery support agencies* as requested by *the Albany County Department of Mental Health*. Within the world of behavioral health, a small amount of funding can often have an outsized impact. A mini-grant can be used to kickstart a new project or service, fill a budget gap, or implement an idea that doesn't fit with existing funding requirements. Grant funds can be combined with other funding sources to expand a project's scope or be used to leverage additional resources to launch an innovative program.
- 1.2 Using Opioid Settlement Funds, the Albany County Department of Mental Health is requesting proposals for a round of 6 mini-grants of up to \$25,000 from Albany County substance use prevention, treatment and recovery support agencies.
- 1.3 Grant funds should be used within one year and could support direct care services; equipment purchases; property improvements; training/consultation; research, evaluation and/or data analysis; and/or workforce development, recruitment and retention, etc. Per Statewide OSF Advisory Board requirements, **these funds cannot replace existing funding**; instead, they must support **new or expanded initiatives** or replace funding that would otherwise be discontinued.
- 1.4 Funded initiatives must be eligible based on priorities identified by the NYS Opioid Settlement Board. These include:
 - Harm Reduction
 - Recovery
 - Housing
 - Treatment
 - Priority Populations
 - Prevention
 - Transportation
 - Research
 - Public Awareness
 - Investments Across the Service Continuum

Specific examples of services and initiatives based on these recommendations can be found in the Opioid Settlement Board's [2022 report](#).

- 1.5 To be considered for funding, proposals must be related to at least one of the priorities identified by Albany County.
- Address geographic service deserts
 - Address service disparities
 - Expand access to integrated behavioral health services
 - Provide immediate life-saving services
 - Implement or expand innovative practices and services
 - Address challenges related to the social determinants of health

Additionally, proposed projects must be related to providing services to opioid users or on preventing opioid overdoses. Services can be provided to individuals who use other drugs, particularly those that are often contaminated with opioids, as well as individuals with co-occurring mental health disorders, but the primary focus should be on addressing Albany County's opioid epidemic.
