Previous requests for Identical or Similar Action:

Resolution/Law Number and Date: NA

DESCRIPTION OF REQUEST: (state briefly why legislative action is requested)

Emergency authorization to replace the North Plant screen #3 is needed because of a catastrophic failure that occurred making the screen inoperable and providing no screening redundancy at the North Plant. The District Board of Commissioners approved the emergency replacement at the District's board meeting on October 22, 2025. The associated budget amendment will be used the fund a portion of the repair.
