Backup Material for Authorization of Grant Acceptance from the Office of Children and Family Services / Safe Harbor Grant, to Amend the 2023 Adopted Budget and Contract Authorization with ACCVS/CrimeVictim

The Albany County Department for Children, Youth, and Families (ACDCYF) respectfully requests Legislative authorization to accept grant funding from the Office of Children and Family Services for the Child Right: Safe Harbor Initiative and to amend the 2023 adopted budget for the Department for Children, Youth and Families. The grant award for the 2023 funding year for the period of January 1, 2023 to December 31, 2023 is \$43,350 with no County share.

In addition, the Department respectfully requests authorization for a contractual agreement with Albany County Crime Victims and Sexual Violence Center in conjunction with this grant. The amount of the contract will be \$43,350 to offset salary and fringe of the clerical support person staffed by the Albany County Crime Victims and Sexual Violence Center. The contract is for the period of January 1, 2023 to December 31, 2023

In 2008, New York State signed into legislation the Safe Harbor for Exploited Children Act. Prior to the passage of this Act, sexually exploited youth involved in illegal activities did not receive the protection of the Family Court and were instead prosecuted criminally. As such, rather than viewed as victims, these children and youth were seen as offenders of the law and treated as such. With the passage of the Act, these children and youth are now viewed as victims, which enable them to receive services to provide for their safety and well-being, in addition to counseling and other specific services to help address their emotional needs.

With the funding to date, DCYF has facilitated trainings and educational outreach to increase community awareness and knowledge on this subject matter.

In 2017, we established a critical team and developed protocol and processes to identify and service this population of youth. The Critical Team, as initially formed, consists of the following entities with other agencies to be included as warranted:
