Explanation of Interest – 25 Kruger Rd

My fiancée and I are getting married in October of this year, and are looking for land to call our own. My future in-laws are located at the property next door, and have lived there for over 50 years. For my fiancée and her family, this area has been home and is filled with great memories.

As such, we are very familiar with the property and are aware of the condition it stands in. It is in need of much work. It is severely overgrown, which we would plan to clear and keep the remaining apple trees located adjacent to the trailer. We would plan on removing both the trailer and the garage, as both have suffered water and foundation issues. Lastly, there are several rusted and sunken vehicles on the property that need removal. These are costs which we have considered when developing our offer.

Upon clearing the property, we would explore building a new home. My fiancée is a social worker, and has recently developed an outreach program for Ravena. This program will offer support services, clinical services, and group work to children at risk of coming in contact with the criminal justice system. It's tailored specifically to the children of this community. For Jess, it's important that she continues to be a member of this community to best understand it's needs. For someone who grew up here, she knows how present the need for these services are, and the importance of them being delivered by an "insider," which is why living in this community is so important to her. I also grew up in Selkirk, and also called this home for a period of time.

Sincerely,

Frankie Anetzberger & Jessica Gruss
