DANIEL C. LYNCH, ESQ.
DEPUTY COUNTY EXECUTIVE

May 10, 2023

Honorable Andrew Joyce, Chairman
Albany County Legislature
112 State Street, Room 710
Albany, New York 12207

Dear Chairman Joyce:

The Office of the Albany County Executive requests authorization to execute a lease renewal with the Federal Aviation Administration (FAA). The lease with the County is in connection with the radar tower on the property at 897 Watervliet Shaker Road that at no cost to the County provides weather and aircraft flight control radar for the region. The previous lease expired in 2017 and needed to be replaced. The FAA's proposed replacement Lease provides updated survey descriptions for and related easements held by it in connection with this facility and extends the term of the FAA Lease with the County for the facility retroactive to 2017. Minor changes were made to the lease to allow the County and its partners to access the solar facility proposed for the southern section of the property. .

If you should have any questions, please do not hesitate to contact me.

Sincerely

Daniel P. McCoy
Albany County Executive
