Notice of Recommendation, Albany County RFP 2025-122

Albany County Division of Purchasing
112 State Street, Room 1000
Albany, NY 12207

Please allow this letter to serve as a Notice of Recommendation on the Albany County RFP 2025-122 for LEAD Case Management Services. All responses were thoroughly considered and scored by our Policy Coordinating Group members, and a consensus has been reached.

At this time, our coordinating group would like to select St. Catherine's Home for Children's Proposal #1 as the successful proposer. This response thoroughly described the agency's ability to meet the deliverables of this project, demonstrated creative collaborations that would strengthen the services offered to participants, and the agency demonstrated a long history of serving people from a similar ideological framework.

We would like to move forward with the contracting process as soon as the County's protocols allow. Thank you to the Albany County offices who have assisted in this process.

Sincerely,

Jennie Huling
LEAD Program Director
