**Justification:** (state briefly why legislative action is requested)

The Water Purification District (District) is requesting authorization to enter into a contract with Bubonia Holding Corp. (Bubonia) for the removal of 13,000 cubic yards of incinerated sludge ash at the District's North Plant. The total contract amount is \$107,840.00 and includes an \$8,000 allowance for the removal of additional material for the unit price identified in the bid. Incinerated sludge ash is stored in ash lagoons at the treatment plant. Annual disposal of this ash is required to manage the onsite volumes within the District's ash lagoons and to provide adequate storage space for sludge ash in the upcoming year.
