Hon. Joanne Cunningham, Chairwoman
Albany County Legislature
112 State Street, Rm. 710
Albany, NY 12207

Dear Chairwoman Cunningham:

The Department of Public Works is requesting the Legislature's approval to enter into an agreement with Creighton Manning Engineering (CME) for design of the CR352 (Fox Creek Rd.) BIN3301500 Bridge Replacement Project.

The project will be funded by the 2022 BRIDGENY Program and as such, it is 95% federally funded. Consultant selection for TIP projects is quality based rather than fee based.

The County Purchasing Agent received eight (8) proposals for this project. Our engineering staff reviewed the proposals and recommended the award of this contract to CME, based on their understanding of the scope of the project. The design contract amount is not to exceed \$282,584.00.

If there are any questions or further information is needed, please feel free to contact my office.

Sincerely,

Lisa M. Ramundo
Commissioner
