#### **MEMORANDUM**

TO: Lisa Ramundo, Commissioner of Public Works

CC:

FROM: Laura DeGaetano, Sr. Natural Resource Planner

DATE: December 26, 2023

**RE:** Highway and Trail Improvement Projects

SUBJECT: SEQR compliance for 2024 projects

I have reviewed the documentation provided for the referenced project as it relates to State Environmental Quality Review (SEQR). According to that information, DPW is planning a project to design and construct various highway and trail improvements, including repair of slope failures and pedestrian and bicycle safety improvements.

As described above, this project meets the criteria established for SEQR Type II actions pursuant to 6 NYCRR 617.5(c)(1)(2)(5)(8)(22). Accordingly, this action has been determined not to have a significant impact on the environment, and as such, no procedural compliance beyond this determination is required at this time.

Should you have any questions or require additional information, please feel free to call me at your convenience.
