Hon. Joanne Cunningham, Chairwoman
Albany County Legislature
112 State Street, Rm. 710
Albany, NY 12207

Dear Chairwoman Cunningham,

The Department of Public Works is seeking the Legislature's approval for Supplemental Agreement #1, between Albany County and Clough Harbor and Associates, Consulting, Inc. (CHA). This agreement pertains to design and ROW services for PIN 1132.16, encompassing the Corridor Improvement Project on New Karner Road (NY155 and CR157) from US20 to Watervliet Shaker Road. CHA is the design consultant for our New Karner Road Corridor Improvement Project.

The project, situated in the City of Albany and Towns of Guilderland and Colonie, secured supplemental funding through the Federal Transportation Improvement Program (TIP). Supplemental Agreement No. 1 between New York State Department of Transportation (NYSDOT) and Albany County has been executed and is attached.

The supplemental agreement introduces an additional \$441,000.00 in costs, covering preliminary design, detailed design, and Right-Of-Way (ROW) incidental expenses for the project. The breakdown of this additional cost includes 80% federal funding, 15% state funding, and 5% county funding.

The Legislature had previously authorized funding for this project through Bond Resolution 470 on December 7, 2020.

For any inquiries or additional information, please do not hesitate to contact my office.

Sincerely,

Lisa M. Ramundo
Commissioner
