Good Afternoon Karen,

Thank you for returning the form. We have yet to receive verification of the award amounts, but you can estimate it to be between +/- \$2,000 of your current funding amount.

We hope to notify RCPs in June of the exact amount.

Please let me know if you need any additional information.

Best Regards,

Good morning, Articia.

Thank you for this opportunity! I have attached the form for CVSVC.

I will have to go before the Albany County Legislature for approval to accept funding.

Could you please give me an idea of the funding amount? I won't hold you to anything but I will need to give them an idea.

I would appreciate any assistance with this that you can provide.

Thank you so very much,

Karen

Subject: RESPONSE REQUIRED: Request for Funding - SASP FY 2021-2022

Importance: High

Good Morning,

New York State Coalition Against Sexual Assault is in the process of renewing contracts for the Sexual Assault Services Formula Grant (SASP) funds, for Fiscal Year 2021-2022.

These funds will continue to support Stand-Alone Rape Crisis Centers, Dual Domestic Violence & Sexual Assault Programs and Multiservice Programs; that provide services, direct intervention and related assistance to victims/survivors of sexual assault and their families.

The goal of SASP is to establish, maintain and expand sustainable and culturally appropriate services related to victims/survivors of sexual assault. The grant funds will be used to supplement other funding sources your program is being provided, in order to address the ongoing concerns throughout the State of New York.

This is a non-competitive funding process, however all awards amounts are subject to the availability. If you are interested in obtaining these funds, please complete the attached form.

Please note the following scenarios would require you to complete a full application:

- If you did **not** receive SASP Funding in the previous award year (FY2020-2021)
- If you are a newly DOH approved Rape Crisis Center
- If your organization made changes to your program narrative and/or scope of work being provided for FY 2021-2022.

If any of the above scenarios applies to your organization, please complete the attached and an application will be sent to you separately.

Again, for those organizations renewing your contract, without any modifications to the program narrative, please complete the attached form.

Further instructions will follow providing your award amount to complete your FY2021-2022 Budget Proposal.

All Rape Crisis Program interested **should return the attached form** by 5:00pm, Monday, May 24th.

If you have any questions or concerns, please feel free to contact me via email ahill@nyscasa.org or phone (518)-330-6889.

Note: *If you are no longer the assigned contact for this project, please forward this message to them; this will ensure your organization is granted the opportunity to apply.
