 - 4.1 Reimbursable Expenses. Pursuant to the December 16, 2021 letter agreement between CSXT and the Village of Voorheesville (the “CSXT-Village Agreement”), Agency shall reimburse CSXT for the Project at a cost equal to the order of magnitude cost estimate transmitted to the Village via letter dated August 10, 2016, which includes costs and expenses to be incurred by CSXT in connection with the Project, including, without limitation: (1) out of pocket expenses, (2) travel and lodging expenses, (3) telephone, facsimile, and mailing expenses, (4) costs for equipment, tools, materials and supplies, (5) sums paid to CSXT’s consultants and subcontractors, and (6) CSXT labor in connection with the Project, together with CSXT labor overhead percentages established by CSXT pursuant to applicable law (collectively, “**Reimbursable Expenses**”).

CSXT agrees to submit invoices to Agency for such amounts and Agency shall remit payment to CSXT at the later of thirty (30) days following delivery of each such invoice to Agency or, the payment date (if any) set forth in the Payment Schedule.

 - 4.3.2 Following completion of the Project, CSXT shall submit to Agency a final invoice that reconciles the total Reimbursable Expenses incurred by CSXT against the total payments received from Agency. Agency shall pay to CSXT the amount by which Reimbursable Expenses exceed total payments as shown by the final invoice, within thirty (30) days following delivery of such invoice to Agency. In the event that the payments received by CSXT from Agency exceed the Reimbursable Expenses, CSXT shall remit such excess to Agency.

5. Appropriations Agency represents to CSXT that: (i) Agency has appropriated funds sufficient to reimburse CSXT for the Reimbursable Expenses encompassed by the Estimate attached as Exhibit D; (ii) Agency shall use its best efforts to obtain appropriations necessary to cover Reimbursable Expenses encompassed by subsequent Estimates approved by Agency; and (iii) Agency shall promptly notify CSXT in the event that Agency is unable to obtain such appropriations.

6. Easements and Licenses

Upon request by CSXT, Agency shall furnish to CSXT descriptions and plat plans for the easements.
7. Permits At its sole cost and expense, Agency shall procure all permits and approvals required by any federal, state, or local governments or governmental agencies for the construction, maintenance and use of the Project, copies of which shall be provided to CSXT.

- 8.3 Consequences of Termination. If the Agreement is terminated by either party pursuant to this Section or any other provision of this Agreement, the parties understand that it may be impractical for them to immediately stop the Work. Accordingly, they agree that, in such instance a party may continue to perform Work until it has reached a point where it may reasonably and safely suspend the Work. Agency shall reimburse CSXT pursuant to this Agreement for the Work performed, plus all costs reasonably incurred by CSXT to discontinue the Work and protect the Work upon full suspension of the same, the cost of returning CSXT's property to its former condition, and all other costs of CSXT incurred as a result of the Project up to the time of full suspension of the Work. Termination of this Agreement or Work on the Project, for any reason, shall not diminish or reduce Agency's obligation to pay CSXT for Reimbursable Expenses incurred in accordance with this Agreement. 10.2 By CSXT. CSXT shall maintain and repair the crossing surface between the ends of its cross ties and its signal facilities at the crossing. Except as otherwise provided by this Agreement, CSXT shall exercise no control whatsoever over the employment, discharge, compensation of, or services rendered by Agency or Agency's Contractors, or the construction practices, procedures, and professional judgment employed by Agency or its Contractor to complete the Project. Notwithstanding the foregoing, this Section 12 shall in no way affect the absolute authority of CSXT to prohibit Agency or its Contractors or anyone from entering CSXT's property, or to require the removal of any person from its property, if it determines, in its sole discretion, that such person is not acting in a safe manner or that actual or potential hazards in, on or about the Project exist.

e. Agency and Contractor shall not store explosives on CSXT property.

2. CSXT Representative will:

a. Determine the approximate location of trains and advise Agency or Contractor of the approximate amount of time available for the blasting operation and clean-up.

b. Have the authority to order discontinuance of blasting if, in his or her opinion, blasting is too hazardous or is not in accord with these Special Provisions.

IX. MAINTENANCE OF DITCHES ADJACENT TO CSXT TRACKS

Agency or Contractor shall maintain all ditches and drainage structures free of silt or other obstructions that may result from their operations. All such maintenance and repair of damages due to Agency's or Contractor's operations shall be performed at Agency's expense.

X. FLAGGING / INSPECTION SERVICE

- C. Agency or Contractor shall give a minimum of 10 days' advance notice to CSXT Representative for anticipated need for flagging service. No work shall be undertaken until the flag person(s) is/are at the job site. If it is necessary for CSXT to advertise a flagging job for bid, it may take up to 90-days to obtain this service, and CSXT shall not be liable for the cost of delays attributable to obtaining such service.
- D. CSXT shall have the right to assign an individual to the site of the Project to perform inspection service whenever, in the opinion of CSXT Representative, such inspection may be necessary. Agency shall reimburse CSXT for the costs incurred by CSXT for such inspection service. Inspection service shall not relieve Agency or Contractor from liability for its Work.
- E. CSXT shall render invoices for, and Agency shall pay for, the actual pay rate of the flagpersons and inspectors used, plus standard additives, whether that amount is above or below the rate provided in the Estimate. If the rate of pay that is to be used for inspector or flagging service is changed before the work is started or during the progress of the work, whether by law or agreement between CSXT and its employees, or if the tax rates on labor are changed, bills will be rendered by CSXT and paid by Agency using the new rates. Agency and Contractor shall perform their operations that require flagging protection or inspection service in such a manner and sequence that the cost of such will be as economical as possible.

ESTIMATE

Estimate is \$288,962 in accordance with the order-of-magnitude estimate provided by Bergmann Associates in its August 10, 2016 Unexecuted Preliminary Engineering Agreement Amendment Transmittal, attached.

August 10, 2016

Mr. Richard A. Straut, P.E.
Village of Voorheesville
29 Voorheesville Avenue
Voorheesville, NY 12186

Subject: Voorheesville, Albany County, New York; Railroad Quiet Zone project at South Main St. and Voorheesville Ave. grade crossing with CSXT; DOT# 508 700 P & 508 701 W, MP QG-22.24 & QG-22.02, Albany Division, Selkirk Subdivision, OP# NY0553
Unexecuted Preliminary Engineering Agreement Amendment Transmittal

Dear Mr. Straut;

Reference is made to the Bergmann Associates letter dated February 18, 2015 providing the Force Account Estimate in the amount of \$87,472. Reference is also made to the August 8, 2016 Bergmann Associates letter transmitting the fully executed Preliminary Engineering Agreement for the subject project. It is understood that the Village requested a reduced scope of work for the fully executed Preliminary Engineering Agreement which included the preparation of an order-of-magnitude accurate force account estimate for the construction costs. The costs of the preliminary engineering agreement for this reduced scope of work was \$27,500. The order-of-magnitude cost estimate has been prepared, and the costs are summarized below:

Construction Costs (Accuracy to order-of-magnitude)

Signal Work - \$231,704
2 weeks of flagging - \$15,448
Construction Engineering & Inspection - \$15,500
Contingency - \$26,269
Total - \$288,962

If the Village desires to move forward with the project based on these estimated construction costs, an Amendment to the Preliminary Engineering Agreement will need to be executed to complete the remaining Preliminary Engineering tasks and finalize design as outlined in the original Force Account Estimate provided in the February 18, 2015 letter. Once the final design is complete, the Force Account Estimate for construction activities will be completed and included within the Construction Agreement which will be provided to the Village.

As such, enclosed are two (2) Amendments to the Preliminary Engineering Agreement with the revised Force Account Estimate in the amount of \$87,472. If acceptable to the Village, please arrange for each original to be executed and return both with a copy of the necessary advance payment to Bergmann Associates at the following address:

Six Tower Bridge
181 Washington Street, Suite 430
Conshohocken, PA 19428

Advance payment for the balance of the Force Account Estimate should be provided to "CSX Transportation" and sent with CSXT Schedule PA directly to CSXT at the following address:

P. O. Box 116651
Atlanta, GA 30368-6651

Please note that no work may begin on, over, or adjacent to the CSXT right-of-way, or that could potentially impact CSXT operations, until the following has occurred:

- The plans have been reviewed and no exceptions taken
- A fully executed Construction Agreement is in place with the appropriate parties
- CSXT's Notice to proceed with force account work has been received by this office
- The contractor's insurance has been approved in writing by CSXT
- The necessary construction submissions have been submitted with no exceptions taken by CSXT or its representative
- A pre-construction meeting has been held with CSXT personnel present
- A flagman is scheduled and on site

Please do not hesitate to contact Erin McCloskey or me at (610) 834-4080 with any questions regarding the above matters.

Unexecuted Preliminary Engineering Agreement and Force Account Estimate Transmittal

Dear Mr. Straut;

Reference is made to the Village of Voorheesville letter dated January 15, 2015 providing authorization to incur costs and requesting a cost estimate for complete engineering design for the subject project. In order for CSXT to be reimbursed for its costs to support the project, CSXT requires the Preliminary Engineering Agreements to be fully executed between the Village and CSXT. Two (2) original agreements are enclosed. The railroad Force Account Estimate covering an allowance for Preliminary Engineering services is included in the agreement. This estimate does not include the cost of construction engineering/inspection, flagging service, signal and communications work and other costs to be incurred during construction.

Please arrange for each original to be executed and return both along with a copy of the necessary advance payment to Bergmann Associates at the following address:

Six Tower Bridge
181 Washington Street, Suite 430
Conshohocken, PA 19428

Per Section 3.3 of the Agreement, the Village shall provide the advance payment in the amount of \$87,472 along with the signed Agreements. These funds are to cover the anticipated project costs for Preliminary Engineering only. Please be advised that the advance payment is not a fee, but an advance deposit held in an account against which actual CSXT costs are assessed. If the actual costs are less than the deposit, a refund will be returned, and if the actual costs are more than the deposit, an additional deposit will be requested.

The advance payments should be made payable to "CSX Transportation" and sent with attached Payment Submission Form directly to CSXT at the following address:

P. O. Box 116651
Atlanta, GA 30368-6651

When returning the signed Preliminary Engineering Agreements, please also include a letter from the Village providing CSXT with its notice to proceed for the CSXT force account work.

Please note that no work may begin on, over, or adjacent to the CSXT right-of-way, or that could potentially impact CSXT operations, until the following has occurred:

- The necessary construction submissions have been submitted with no exceptions taken by CSXT or its representative
- A pre-construction meeting has been held with CSXT personnel present
- A flagman is scheduled and on site
- The contractor signs Schedule I of the Construction Agreement

Please do not hesitate to contact Tucker Faherty or me at (610) 834-4080 with any questions regarding the above matters.
