MICHAEL P. MCLAUGHLIN, JR.
DEPUTY COUNTY EXECUTIVE

Honorable Joanne Cunningham
Chair, Albany County Legislature
112 State St. Rm. 710
Albany, NY 12207

Dear Chairwoman Cunningham,

The Albany County Executive's office is requesting legislative authorization to enter into a contract with Barton & Loguidice, D.P.C., an architectural and engineering firm, to provide professional services for the design and development of a new live fire training and public safety training facility.

A Request for Proposals (RFP) was issued for these services, and the proposal submitted by Barton & Loguidice, D.P.C. met all criteria outlined in the solicitation. Following the formal evaluation process, their proposal received one of the two highest average scores among four participating graders. A group discussion was conducted with all graders to further evaluate the two firms that had tied, and Barton & Loguidice, D.P.C. was unanimously recommended for selection.

The proposed contract amount is \$555,100. This fee includes the full scope of required services, including schematic design, design development, preparation of construction documents, bidding and contract negotiation support, and contract administration.

Approval of this contract will allow the County to advance a critical public safety initiative and ensure the development of a modern, compliant, and effective training facility for our fire and public safety personnel.

Thank you for your consideration of this request. Please let me know if any additional information is needed.

Sincerely,

Daniel P. McCoy
Albany County Executive
