Justification: (state briefly why legislative action is requested)

Local Social Service districts are required to provide emergency/transitional shelter to homeless individuals and families. This contract renewal emphasizes the provision of assistance by the provider to individuals in applying for Temporary Assistance, information/referral, the development of an Independent Living Plan (ILP) which, at a minimum, includes assessment of needs related to housing permanency and linkage to services designed to address the factors which underlie homelessness, assistance in securing permanent housing and/or residential placement. Examples of Independent Living Plans for each individual can include the completion apartment searches, attend drug/alcohol or employment programs, follow up with legal issues (child/spousal support), etc. Mercy house serves women and has a capacity for two children with their mothers.
