Dear Kirsten Catellier:

Thank you for continuing to consult with the New York State Historic Preservation Office (SHPO). We have reviewed the submitted materials in accordance with the New York State Historic Preservation Act of 1980 (section 14.09 of the New York Parks, Recreation and Historic Preservation Law). These comments are those of the Division for Historic Preservation and relate only to Historic/Cultural resources.

We have reviewed the Planting Plan, dated December 20, 2022, which includes details of the landscape and plantings associated with the proposed new DPW facility. As previously noted, the proposed project is located within the State and National Register listed Watervliet Shaker Historic District.

Based on this review, it is the opinion of the SHPO that the proposed project will have No Adverse Impact to historic and cultural resources.

If you have any questions, you can call or e-mail me at the contact information below.

Sincerely,

Weston Davey
