Medical Director, Clinical Collaboration & Product Performance Management (2022 – 2024)  
Medical Director, Medicaid Product Performance Management (2021 – 2022)  
Medical Director, Medical Direction (2021)

**New York State Department of Health – Albany, NY** 2018 – 2020

Medical Director, Center for Environmental Health  
New York State Coronavirus 2019 Response Team  
New York State Measles Outbreak Response Team

### PROFESSIONAL LEADERSHIP

---

**MVP Health Care Whole Person Health Leader** 2024 – 2025

Collaborate with executive and senior leadership to lead the development of an enterprise-wide strategy for whole person health as part of the company's strategic transformation; ensuring customer need, quality, and health equity as foundational pillars to drive person-centered care. Within the whole person health strategy implementation, directed the development and execution of population-focused enterprise-aligned service lines tied to key population health outcomes, as well as led the strategic transformation of core clinical operations and the development of community and provider partnership ecosystem through value-based arrangements. Developed wellness transformation strategy, leading with a lifestyle medicine framework and leveraging behavioral science and emerging technology to advance capabilities for connecting patients with personalized next-best actions to promote and restore health and wellness.

**MVP Health Care Product Performance Management Leader**

2022 - 2024

Lead a team of 4 medical directors and 2 professionals to develop the product performance management strategy and the corresponding portfolio of initiatives to achieve stated goals. Collaborate with executive and senior leadership to gain consensus and allocate resources for the deployment of the portfolio. The portfolio includes Medicare, Medicaid, and Commercial lines of business initiatives that support membership growth and prioritize positive customer experience. The portfolio has culminated in over \$71.3M of projected savings and \$16.3M in projected revenue for calendar years 2023-25.

**MVP Health Care Clinical Collaboration Leader**

2022 - 2024

Collaborate with executive and senior leadership to provide clinical leadership in the development of key strategies including virtual care, quality improvement, and care management. Lead a team of 4 medical directors to support the execution of company strategies including digital services and virtual care, strategic provider experience and relationships, customer wellness, digital transformation, quality improvement, and care management including home and community-based services program. Advise Chief Medical Officer through participation on Health Management Leadership team. Participate in clinical governance activities through voting role on multiple committees, including company leadership and policy development for credentialing committee.

**American Academy of Pediatrics Chapter Climate Advocate NY Chapter 1 Representative** 2019 – 2022

Serve as a NY Chapter 1 Representative to promote state and federal level action, advocacy, and member engagement on the issue of climate change and children's health.

**New York State Department of Health COVID-19 Policy & Guidance Coordination Lead** 2020

Working directly with the Office of the Commissioner and the Governor's Office to coordinate statewide COVID-19 policy and guidance document development, clearance and issuance for the New York State Department of Health Coronavirus 2019 Response Team, including working with relevant stakeholders during policy development process and assisting various areas of the Department with policy implementation.

**New York State Department of Health EVALI Epidemiologic Investigation Lead**

2019 – 2020

Coordinate reports of illness from clinicians with NYS Poison Control Centers to conduct investigation into vaping related illnesses, including case investigation and epidemiologic data analysis, clinical specimen collection and analysis, and product specimen collection and analysis in collaboration with NYS Department of Health Wadsworth Laboratory, Centers for Disease Control and Prevention, and the Food and Drug Administration.

**New York State Department of Health All-hazards Planning Workgroup**

2019 – 2020

Participate in workgroup by providing subject matter expertise to assist the Department in developing emergency preparedness plans, including the Pediatric Surge Annex.

**NYS Domestic Violence Fatality Review Team**

2019 – 2020

Appointed representative for New York State Department of Health to fatality review team, which seeks to reduce domestic violence and improve system response to domestic violence in New York State through close examination of domestic violence deaths.

**New York State Department of Health Harmful Algal Bloom Illness Surveillance Lead**

2019 – 2020

Coordinate reports of harmful algal bloom illness cases from local health departments to Centers for Disease Control and Prevention's One Health Harmful Algal Blooms (OHHABs) illness surveillance program.

**New York State Department of Health First 1,000 Days Home Visiting Workgroup**

2019

Participate in workgroup to identify key reimbursement and programmatic barriers, and make recommendations for potential solutions to the Department's Medicaid program for Statewide Home Visiting, one of the proposals of the First 1,000 Days ten-point agenda, which focuses on enhancing access to services and improving outcomes for children on Medicaid in their first 1,000 days of life.

**American Academy of Pediatrics (AAP) Early Career Physician Representative**

2017 – 2018

Serve as liaison for AAP District II Chapter 1 (Upstate New York Region) Section on Early Career Physicians (SOECP). Collaborate in the execution of the District II SOECP priorities, which include building a structure of engagement among early career physicians, networking among other sections of the AAP, SOECP districts nationally and local AAP leadership, and participate and support local AAP activities.

**American Academy of Pediatrics District II Delegate – Albany Medical Center, NY**

2013 – 2015

Serve as liaison between residency program, local AAP chapter, and Section of Medical Students, Resident and Fellowship Trainees; including representation and participation at annual Assembly at the AAP National Conference and Exhibition, resident education on AAP SOMSRFT goals and projects, and facilitate resident utilization of AAP resources.

## **QUALITY IMPROVEMENT**

- 
- Sr. Medical Director, Quality and Whole Person Health – MVP Health Care** 2024 – 2025  
As Sr. Medical Director, Quality and Whole Person Health, responsible for development and execution of company's strategic transformation work related to quality and whole person health, including ensuring quality is foundational pillar to drive person-centered care. As leader of this program development, ensured population-focused enterprise-aligned service lines were tied to key population health outcomes, for which HEDIS performance in each target population (including women's health, maternity, child health, diabetes, chronic kidney disease and asthma) comprised the Phase 1 KPIs.
- Quality Improvement Program Measure Owner – MVP Health Care** 2024 – 2025  
As leader of wellness programming, accountable business owner for improvement of preventive care as measured by HEDIS performance, for all products including Medicaid, Child Health Plus, HARP, Essential Plan, Medicare, and Commercial. These included preventive wellness exams, dental visits, cancer screenings, immunizations, and other preventive screenings such as developmental and depression in primary care.
- NYS Pediatric Performance Improvement Project – MVP Health Care** 2021  
Provided clinical guidance to MVP Health Care's participation in NYS Office of Quality and Patient Safety Performance Improvement Project focusing on the rates of childhood developmental screening, hearing screening, and lead screening.
- Improving Lead Screening by NYS Healthcare Providers – NYS Department of Health, NY** 2019 – 2020  
Coordinate a multifaceted approach to improving health care provider lead screening at age 1 and age 2 in NYS including development of provider report card through a Centers for Disease Control and Prevention supported grant, conducting annual analysis of underperforming providers and development of ongoing communication plan and potential enforcement actions to increase screening rates among this cohort.
- Implementation of Social Screening in a Medical Home – Albany Medical Center, NY** 2017 – 2019  
Develop and implement practice-wide quality improvement for screening patients regarding social determinants of health, improving screenings for maternal depression, child development, and adolescent risks in a new standardized workflow. This new practice model includes enhanced coordinated community referrals for concerns identified through screening.
- Implementation and Assessment of a Formal Ethics and Professionalism Curriculum for Pediatric Residents in Improving Competency and Confidence – Albany Medical Center, NY** 2017 – 2019  
Use of a validated tool (Test of Resident Ethics Knowledge in Pediatrics: TREK-Peds) to evaluate resident knowledge in core concepts in ethics and professionalism as identified by the American Academy of Pediatrics, in an IRB-approved protocol, through development of a quarterly professionalism lecture series to improve confidence and competency.

**Faculty Quality Improvement Committee** – Albany Medical Center, NY 2016 – 2017  
Worked collaboratively with other members of the Tobacco Quality Improvement Workgroup and Pediatric Asthma Team to coordinate an institution-wide tobacco cessation quality improvement initiative.

**Pediatric Global Health Program** – Albany Medical Center, NY 2013 – 2015  
Designed a system of networking and collaboration for pediatric residents interested in pursuing work in global health. Worked in conjunction with advisor to develop curriculum and lecture series in Pediatric Global Health; which when combined with research or advocacy project in global health may lead to Certificate in Global Health for pediatric residents.

**Improving Health Literacy in Rural Uganda** – Ddegeya, Uganda 2011  
Performed needs assessment of prescription literacy at rural Ugandan health clinic. Designed pilot program to improve literacy using pictograms and new prescription labeling system in an IRB approved protocol.

---

## ACADEMIC LEADERSHIP

**FAPH Admissions Committee Member** – SUNY Albany School of Public Health, NY 2018 – present  
Assist Fellowship in Applied Public Health Program Director in the admissions process; including recruitment, interviews, and applicant recommendations.

**FAPH Advisory Council Member** – SUNY Albany School of Public Health, NY 2018 – present  
Provide Program Director advisement on program strategic planning, structure, funding, and curriculum.

**Associate Clerkship Director of Pediatrics** – Albany Medical College, NY 2017 – 2018  
Responsible for assisting in the management of the pediatric clerkship for third-year medical students; including administrative management and maintenance of clerkship integrity through recruiting and developing new faculty sites, ensuring curriculum fidelity to Liaison Committee on Medical Education standards, mentoring and counseling of students, and direct teaching of students.

**Pediatric Journal Club Faculty Preceptor** – Albany Medical Center, NY 2017 – 2018  
Assist residents in selecting appropriate current articles from pediatric literature and developing discussion guide, as well as precept monthly journal club discussion series.

**Pediatric Resident Faculty Advisor** – Albany Medical Center, NY 2017 – 2018  
Mentor residents through the course of their residency in aspects of career and professional development; including educational goals and work-life integration through regular coaching.

**Individualized Learning Plan Faculty Advisor** – Albany Medical Center, NY 2015 – 2018  
Assist residents in developing academic learning plans best fit to their individual learning style, through regular meetings and monitoring of their monthly progress.

**Pediatric Interest Group Faculty Advisor** – Albany Medical Center, NY 2015 – 2018  
Provide guidance and mentorship to the medical student group that exposes students to the field of pediatrics, provides opportunities for interaction with physicians, residents, and patients, and education on the process of entering the field.

**Story Time Stars Service Learning Program Faculty Advisor** – Albany Medical Center, NY 2015 – 2018  
Coordinate service learning program which trains and engages medical students to provide a brief parent intervention on reading with children to promote early childhood literacy at Albany Medical Center Outpatient Pediatric Clinic and various community partner organizations.

**Reach Out and Read Program Coordinator** – Albany Medical Center, NY 2013 – 2018  
Coordinate national program at Albany Medical Center Outpatient Pediatric Clinic, which promotes early childhood literacy through education training pediatricians on importance of early reading, with anticipatory guidance given to parents and distribution of books to children at each wellness visit 6 months - 5 years of age. Activities include recruiting and training residents and volunteers, and applying for grants to obtain funding to support maintenance and expansion of programming.

---

## COMMUNITY LEADERSHIP

**American Red Cross of Eastern New York Board, Chair Philanthropy** 2025 – present
