DESCRIPTION OF REQUEST: (state briefly why legislative action is requested)

The Department of Public Works is requesting the Legislature's approval to purchase of one (1) Sweeper Truck from Tracey Road Equipment by piggybacking onto Onondaga County Contract No. 0011142 with New York State for a total amount of \$382,900.00. This truck will replace the current sweeper truck purchased in 2008. This truck will be used in the Colonie Subdivision and is critical to successfully achieving our Municipal Separate Storm Sewer System (MS4) requirements, especially with preventing pollution and practicing good housekeeping for municipal operations.
