1. Maximize the number of people who are specifically aware of the available benefits of HEAP so as more who qualify will apply for this benefit.
2. Maximize the number and percent of eligible applicants and therefore reduce the number of applicants who are potentially denied a benefit, thereby freeing staff time and resources to process benefits for eligible applicants more quickly.

7. Distribute educational resources and enrollment information through Cornell Cooperative Extension (provider) newsletters and website, and through various direct and indirect educational programming.
8. Track participation in all outreach and educational activities offered.

In order to maximize the likelihood of achieving the County's desired outcomes as well as the effectiveness of the Provider's overall HEAP services, the provider agrees to review all HEAP applications presented either by mail or in person.

6. The Provider shall invite telephone inquiries and respond to them directly, minimizing telephone referrals to DSS.

The Provider shall assume responsibility for verifying eligible low-income households pertaining to HEAP in accordance with the State Plan, DSS directives, state-issued policies and operating manuals.

1. The Provider shall ensure that HEAP applications are readily available and shall provide appropriate instructions for persons requesting applications.

1. All completed applications (including application denied due to the household not meeting the eligibility guidelines) shall be submitted to DSS within 15 calendar days after the date of application.

The Provider shall assist DSS in an ongoing review and monitoring of HEAP, including the timely reporting to the New York State Office of Temporary and Disability Assistance with any information and reports necessary for the proper and efficient administration and evaluation of HEAP.

1. The Provider shall maintain spreadsheets of outreach efforts initiated and applications received. Copies of these spreadsheets shall be submitted to DSS on a weekly basis throughout the HEAP season.

The provider agrees to integrate evolving technological enhancements into the application and communication process. Such enhancements may be related to the NYS Welfare Management System (WMS) or MS Office based technology and online application process.

Albany County Department of Social Services uses a central phone line (518-447-7323) with a voice-mail phone tree for callers seeking answers to questions related to and/or resolution of fuel/utility issues and emergencies. The Provider will be responsible for removing voicemail messages from Albany County's phone line via webmail internet access. The Provider will attempt to resolve the caller's question or concern via their access to fuel/utility vendors and the

Welfare Management System. When possible, Provider will return the call within a two day time frame. For those instances in which DSS attention is needed for resolution, Provider will alert DSS staff by e-mail, fax or telephone, depending on the urgency of the situation. DSS staff will work together with Provider staff to resolve the issue and decide, on a case by case basis, who will handle the follow-up communication with the caller.

The Provider shall provide program delivery services set forth in the Home Energy Assistance Program (HEAP) Outreach and Certification Services, specifically providing a comprehensive program to assist limited resource county residents to become aware of and apply for HEAP benefits.
