Re: 467 Orange street Albany NY

County Executive,

The above listed property was owned by me prior to the foreclosure judgment. I am grateful for the opportunity to purchase it back. I am enclosing a bank check in the amount of \$13,387.12 as a deposit to reacquire this property.

After its original purchase, I was forced into early retirement due to many many many circumstances, resulting in some disabilities. I apologize for my delay in addressing this matter, however it has been an extreme hardship for me. Again, I am thankful to God, you and all other assistance I am receiving to again own this property.

Sincerely,

Karen Range
