Hon. Joanne Cunningham, Chairwoman  
Albany County Legislature  
112 State St., Rm. 710  
Albany, NY 12207

Dear Chairwoman Cunningham:

The Albany County Department of Health (ACDOH) has been notified of an additional \$30,358 in grant funding and a nine-month term extension to December 31, 2024 for ACDOH's Tuberculosis (TB) Prevention and Control Program. The additional funding is approximately 75% of ACDOH's annual award.

The critical elements of ACDOH's TB program include early case detection and reporting, prompt diagnosis, appropriate treatment, case management with particular attention to directly observed therapy, aggressive investigations of contacts, treatment of latent TB infection, and educational activities. This is a mandated service and a noncompetitive grant. ACDOH requests authorization to accept these additional funds and term extension.

Please don't hesitate to contact me if you have any questions or need additional information.

Sincerely,

Maribeth Miller, BSN, MS  
Interim Commissioner of Health
