Honorable Andrew Joyce Legislative Clerk's Office 112 State Street, Room 710 Albany, New York 12207

Dear Mr. Joyce:

The attached correspondence is forwarded for presentation to the Albany County Legislature.

Legislative approval is required in order to allow Albany County to apply for and accept the awarded amount from the NYS, Division of Homeland Security & Emergency services, 2022 Statewide Interoperable Communications Grant – Targeted Program.

The grant application for the Albany County Sheriff's Office is a maximum of \$6,000,000.00, with no match. These grant funds, if awarded, will be utilized for the implementation of regional connectivity via radio system core, connecting Albany, Schenectady and Rensselaer Counties. Schenectady and Rensselaer Counties will also be seeking like funds as their part of the project.

The performance period for the 2022 SICG-Targeted Program is four (4) years from the execution of the contract.

There are no matching funds required.

Should there be any questions, do not hesitate to call.

Sincerely,

XD. Apple\S\. Sheriff

FY2022 Statewide Interoperable Communications Targeted Grant Program – Request for

Applications Released

NYS Division of Homeland Security and Emergency Services Office of Interoperable and Emergency Communications Announces the

2022 Statewide Interoperable Communications Targeted Grant Program (2022 SICG-Targeted)

The NYS Division of Homeland Security and Emergency Services, Office of Interoperable and Emergency Communications, is pleased to announce the Statewide Interoperable Communications Targeted Grant program. Funding for the 2022 SICG-Targeted Program is distributed by an analysis of data related to the implementation of National Interoperability Channels in New York. The SICG-Targeted Program focuses on closing gaps in National Interoperability channels implementation and enhancing regional connectivity, ensuring that county communication systems are capable to support multijurisdictional response. The SICG-Targeted Program provides a way forward for providing a safer environment for public safety personnel, integration with other emergent technologies, and the ability to establish technology and performance standards.

Purpose: The overall objective of the SICG-Targeted Program is to close gaps in the interoperability infrastructure, regional communications deficiencies, and implementation of National Interoperability channels.

Eligible Applicants: County governments, requesting funding for the benefit of the county as a single entity. Additional eligibility criteria are listed in the 2022 SICG-Targeted Request for Applications.

Source of Funds: This grant program is supported by the Statewide Public Safety Communications Account.

Total Funding Available for 2022 SICG-Targeted:

\$62,427,798
