Justification: (state briefly why legislative action is requested)

This agreement will proactively give the County access to data which can be used to better inform subsequent updates to the County's Multi-Jurisdictional Hazard Mitigation Plan. NFIP data will inform the risk assessment and action development portions of the Hazard Mitigation Plan. In the past, NYS DHSES and DEC have been able to provide counties with this data, however they are no longer able to due to DHS/FEMA policy changes.
