Dear Chairman Joyce:

Albany County Department of Health requests to accept grant funding from Governor's Traffic Safety Committee. ACDOH has been awarded \$25,000 for the program term of 10/1/2022 – 9/30/2022. ACDOH will continue to promote safety by distributing pedestrian safety information at select intersections at risk for accidents, providing the safety education in schools, and conducting community outreach regarding pedestrian safety. The funding will be placed in the 2023 department budget.

Please don't hesitate to contact me if you have any questions or need additional information.

Sincerely,

Elizabeth F. Whalen, MD, MPH
