**Justification:** (state briefly why legislative action is requested)

The Department of General Services respectfully requests funding authorization in the amount of \$3,000,000 for Various Mechanical Upgrades & Improvements. As part of our efforts to maintain any/all existing facilities, this project will address any mechanical repairs to our properties. These improvements will generally include, but not limited to, all HVAC, energy management system improvements, all chiller and electrical systems.

This project has been included in the 2023 Capital Plan.

Bond authorization for this project was previously approved. This new authorization will allow flexibility with funding options.
