**DESCRIPTION OF REQUEST:** (state briefly why legislative action is requested)

The county sponsors the annual Grant-in-Aid application, which supports multiple snowmobile clubs' efforts to maintain over 22 miles of trails in Albany County. This program awarded the county \$14,955 for the 2022-2023 season. We will be notified of this year's funding amount in the fall as it is determined by a percentage of revenue the state receives from permits. This is a pass-through grant to the trail maintenance organizations. There is no cost to the county and minimal clerical/administrative responsibility. There are no changes or updates proposed to the trail system this year and as such, this has been classified to be a Type 2 Action under SEQR.
