Dear Chairwoman Cunningham:

This request seeks authorization for the Crime Victim & Sexual Violence Center (CVSVC) to enter into a three-year agreement with the New York State Office for the Prevention of Domestic Violence (OPDV) for the Enough is Enough (EiE) Program, with total funding of \$415,284. The program supports direct services for survivors of sexual assault, domestic and relationship violence, trafficking, stalking, and related crimes on college campuses throughout Albany County, as well as prevention and awareness initiatives. Approval is also requested to accept the first-year award of \$138,428 for the period May 1, 2026, through April 30, 2027. The funding has already been included in the County's 2026 budget and represents a continuation of an established grant program in which CVSVC has historically participated.

Thank you for your consideration of this matter.

Respectfully submitted,

Amanda Wingle
Director
