Justification: (state briefly why legislative action is requested)

The Department of Public Works is requesting the Legislature's approval of a bond resolution which would authorize \$3,420,000.00 in bonds to finance five (5) bridge design and construction projects, \$950,000.00 in bonds for construction of the Highway Pavement Recycling Project, \$1,450,000.00 in bonds to finance the purchase of new Vehicles & Trucks in 2022 plus \$5,000,000.00 in bonds to finance construction of new highway garage facilities in Knox & Coeymans. The total bond request would be \$10,820,000.00.

We used information from the 2022 Albany County Capital Plan to compile the attached Bond request spreadsheet. All of the projects listed are 100% County funded.

As noted on the attached spreadsheet, we previously received authority to bond \$2,300,000.00 for the HHRT Bridge over State RTE 85 and \$1,000,000.00 for the CR 352 over Fox Creek Bridge Replacement construction projects (Resolution 20-470). The 2022 Capital Plan construction costs for these projects were amended to \$2,800,000.00 and \$1,800,000.00, respectively, to reflect increased estimated construction costs.

The Senior Natural Resource Planner of the County Department of Economic Development, Conservation & Planning completed the State Environmental Quality Review (SEQR) assessments for the above projects. We have enclosed the assessments.
