Justification: (state briefly why legislative action is requested)

The Department of Public Works is requesting the Legislature's approval of a bond resolution which would authorize \$2,755,000.00 in bonds to finance additional design, construction inspection and construction costs, for the Watervliet-Shaker Road Reconstruction Project.

We previously received authority to bond \$433,000.00 for design and construction inspection costs (Resolution 519 11/12/19) and \$5,193,000.00 for construction costs (Resolution 92 3/14/22) for this project. \$2,755,000.00 was added to this project in the 2023 Capital Plan to account for increased design, construction inspection and construction costs.
