**Justification:** (state briefly why legislative action is requested)

Local Social Service districts are required to provide emergency/transitional shelter to homeless individuals. Therefore, authorization is requested to renew a contract with the Morton Ave. Shelter operated by Interfaith Partnership for the Homeless (IPH) to provide shelter services to individuals who are unable to secure shelter in other facilities. In addition to room and board, The Morton Ave. Shelter provides assistance to its residents by addressing the problems underlying their homelessness and provides case management services which assist clients in securing permanent housing or residential placement. Morton Ave. Shelter provides an 11-bed emergency shelter that serves homeless adults (9 males, 2 females). The Morton Ave. Shelter contract renewal represents a cooperative initiative by Albany County and the City of Albany whereby Albany County, through the Department of Social Services, provides reimbursement for shelter services through temporary assistance programs while the City of Albany provides the facility site. During the 2020 calendar year, 210 clients were served at the Morton Ave Shelter. NOTE: Within the previous contract year the Morton Ave. shelter was taken over by Interfaith Partnership for the Homeless and was formerly known as St. Peter's Addiction Recovery Center (SPARC).
