Honorable Andrew Joyce Legislative Clerk's Office 112 State Street, Room 710 Albany, New York 12207

Dear Chairman Joyce:

The attached correspondence is forwarded for presentation to the Albany County Legislature.

Legislative approval is requested to continue the open-ended vehicle master lease agreement established between the Albany County Sheriff's Office and Enterprise Fleet Management, Inc. by Resolutions No. 192 of 2019 and No. 467 of 2022. This approval would extend the authorization, so established, through July of 2024 to account for the deviation between the County's fiscal year and the original vehicles' lease term period. Said legislative approval would also continue the aforementioned vehicle leasing program by authorizing entry into a new 4-year lease term, commencing January 1, 2024 and ending January 1, 2028 or 4 years from the date that a specific vehicle becomes active on the lease. This would enable the leasing of new vehicles for the units of the Law Enforcement or Corrections Divisions of the Albany County Sheriff's Office in an annual amount not to exceed \$400,000.00 to be paid for from budgeted funds supplemented by seizure funds when deemed practical and permissible.

The vehicle leasing program allows for reduced operational costs such as maintenance and fuel consumption by maintaining a newer fleet. It is also a cost effective and reliable process for acquiring and maintaining a safe and efficient fleet whereas it would be fiscally impossible to purchase outright the number of vehicles necessary to maintain the fleet in the same manner.

Should there be any questions, do not hesitate to call.

Att.
