DESCRIPTION OF REQUEST: (state briefly why legislative action is requested)

Albany County Department of Public Works requests the legislature's approval to amend the existing Snow & Ice Agreement with New York State Department of Transportation (NYSDOT) for the 2022/2023 and 2023/2024 seasons. The agreement amends the estimated expenditure by adding funding to account for increases in labor, materials and overall costs for the 2022/2023 and 2023/2024 seasons. Albany County DPW has already been compensated for the services provided during these seasons. In order to get their agreements up to date, NYSDOT is requesting the agreements be signed and notarized.
