The Honorable Joanne Cunningham
Chairwoman, Albany County Legislature
Legislative Clerk's Office
112 State Street, Suite 710
Albany, New York 12207

Dear Chairwoman Cunningham:

Shaker Place Rehabilitation and Nursing Center respectfully requests funding authorization for the High-Rise Infrastructure and Floor Remodeling capital project in the amount \$8,000,000 for 2027 and \$2,000,000 for 2028. The High-Rise Infrastructure and Floor Remodeling capital project is part of the Albany County 2027 – 2031 Capital Plan which was adopted per Resolution 196 of 2026.

The project is a continuation to retrofit the High-Rise floors of Shaker Place to usable space. These floors were decommissioned when the original renovation of the resident areas commenced and this project will bring the High-Rise floors back to a usable condition. This will include electrical power, HVAC, plumbing and information technology upgrades to the over 50-year-old infrastructure currently in the High-Rise along with a separate exterior entrance and elevator system.

If any additional information is required, please do not hesitate to contact me.

Sincerely,

Mark S. Olsen
Executive Director
