Hi Chris,

I am following up on the email that you sent to the FMU this morning inquiring about the ExPS contract for 23-24. I am forwarding the budget request and funding application for the ExPS contract that was previously sent to your agency. If

you have not already done so, please submit the attached documents as soon as possible, and please let me know if you have any questions.

Also, the link below for my email address is not correct. There should not be a dash at the front of my email address, the rest is correct.
