Justification: (state briefly why legislative action is requested)

The Department for Aging (DFA) is requesting legislative approval to accept grant funding from NYSOFA for the Medicare Improvements for Patients and Provider Act (MIPPA) program. Albany County's funding award for the 2020-21 program year is \$18,474 with no county match requirement. This program supports the Health Insurance Information Counseling and Assistance Program (HIICAP), and NY Connects program in their efforts to educate and assist eligible Medicare beneficiaries with enrollment into Medicare Low Income Subsidy (LIS) program and the Medicare Savings Program (MSP). In addition, funding is utilized to provide counseling and assistance on accessing the Medicare Prescription Drug Coverage part D, especially for those beneficiaries who are low income, underserved and/or residing in rural areas, and to promote the availability of Medicare preventative and wellness services.
