**DESCRIPTION OF REQUEST:** (state briefly why legislative action is requested)

This request is for a contract authorization to enter into an agreement with the Advance Albany County Alliance and transfer the budgeted STAGE funds for 2026 to the Alliance. For background, in 2022 the County of Albany passed the STAGE Act, establishing a framework to support green industries in the County. The law recognized that industries like offshore wind, green hydrogen, solar, and zero emissions vehicles represent a strategic opportunity for investment and job creation in the County. In May of 2023 the Rules and Regulations for the STAGE Program were adopted by the County Legislature and in July the program was launched. The Local Law and Regulations call on the Advance Albany County Alliance (the Alliance) to administer the grant program on behalf of the County.
