The Probation Officer participates in the GVI Operational Group and attends all weekly crime meetings. Enhanced supervision of these offenders includes, field contacts, special details (ie. concerts and basketball games), home visits, curfew checks, increased reporting, GPS monitoring, routine searches, school dismissal and a variety of other site visits. The Probation Officer assists those threatened by gun violence to ensure safety while maintaining accountability.

Overtime: \$15,000.00

Hot-Spot Policing - \$10,000.00 – Albany County Probation in coordination with the Albany Police Department conducts home visits weekly for high-risk probationers, probationers on the VOID list, and group-involved probationers. These visits assure that all partners have the most current information regarding addresses, that probationers are abiding by all conditions, and also provide intelligence regarding who probationers are spending their free time with. Warrant sweeps are conducted jointly with APD, particularly in hotspots when Conflict Analysis is showing a hot area and when there is a rise in gun violence.

Focused Deterrence - \$5,000.00 – Albany County Probation participates in the GVI strategy. Overtime funds will be used for participation in Call-ins and Custom Notifications.

Ankle Bracelet Activation and Monitoring: \$12,000.00

At times it becomes necessary for individuals on the VOID list, or individuals who are identified members of a group who are also under the supervision of Probation to be monitored

via GPS ankle bracelets. An increasingly common practice for Albany County Probation, when used it allows for more stringent compliance with terms of probation and subsequent investigations. The GIVE funded Probation Officer offers recommendations for conditions relating to GPS for enhanced supervision and monitoring so that zero tolerance actions may be taken when offenders violate such conditions.
