Subject: FW: SOR COTI 6 Month No Cost Extension (NCE) Contracts - Update

Importance: High

Good Morning Jeff –

Per the below, I am attaching a copy of the amendment. As I know the county has an internal process for reviewing/approving contractual matters, I am sharing this with you first and will hold off on sending until I get the okay from you.

Please let me know at your earliest convenience.

Thank you,

Stephen

Subject: SOR COTI 6 Month No Cost Extension (NCE) Contracts - Update
Importance: High

Good Morning All –

With SAMHSA having approved the SOR No Cost Extension (NCE), I will be beginning the process today of sending amendments to COTI providers carrying out MAT services in rural communities. This will extend the existing contract end date 6 months to 3/31/2021 with no additional funding.

The amendments will be sent out from echosign@echosign.com to the authorized signatory as indicated on the contract 3B form (unless otherwise updated) for electronic signature. As a reminder, contracts sent for signatures do occasionally deliver to junk/spam email folders.

Please be on the lookout for them.

Please note this email is being sent bcc:

Thank you,

Stephen
