Previous requests for Identical or Similar Action:

Resolution/Law Number: Resolution 45 of 2019

Date of Adoption: 2/11/19

Justification: (state briefly why legislative action is requested)

The Office of the County Executive respectfully requests authorization to amend a contract with New York State Department of State (NYSDOS) for Countywide Resiliency Grant Funding. The County was awarded funding in the amount of \$138,145 with no County match requirement. The program supports the development of a resiliency plan that proactively addresses climate change risks and vulnerabilities associated with increased frequency and severity of storms and other climate threats.

Due to delays receiving contract language from New York State, the term for this contract needs to be extended so that the program can be implemented.
