TO: David Latina, Commissioner, Department of General Services
CC:
FROM: Laura DeGaetano, Sr. Natural Resource Planner
DATE: October 18, 2017
RE: Times Union Center Improvements
SUBJECT: SEQR compliance for Capital Projects

I have reviewed the documentation you provided describing the referenced project as it relates to State Environmental Quality Review (SEQR). As I understand it, the project includes repairs and upgrades to the garage elevators and repairs.

As described above, the proposed project meets the criteria established for SEQR Type II actions pursuant to 6 NYCRR 617.5(c) subdivisions (1), (2), and (25). Accordingly, this action has been determined not to have a significant impact on the environment, and as such, no procedural compliance with SEQR beyond this determination is required.

Should you have any questions or require additional information, please feel free to call me at your convenience.
