DESCRIPTION OF REQUEST: (state briefly why legislative action is requested)

The Department for Aging (DFA) requests legislative approval to amend the 2024 DFA budget and create an expense line for 100% State funded DFA mobile office. New York State Office for Aging awarded grant funding to address unmet needs of our older adults 60 years and older, residing in Albany County. The funding was utilized to purchase a van and create an office on wheels. This mobile office will be able to reach older adults throughout Albany County to expand aging services.
