Dear Chairman Joyce:

Shaker Place Rehabilitation and Nursing Center (SPRNC) respectfully requests approval of a contract for electrical construction services for the new child day care center at the facility. SPRNC is converting the old Shaker Wing into a new child day care facility that will provide daycare services for the staff to help with recruitment and retention, and will be available to other Albany County workers and our community. The contract request is in the amount of \$247,830.00 with a term of 25 months.

We respectfully request approval of this contract and if any additional information is required, please do not hesitate to contact me.
