Resolution/Law Number: Reso 484/2019

Date of Adoption: 11/12/19

**Justification:** (state briefly why legislative action is requested)

We are requesting permission to extend the term of the *Developing Community Partnerships to Prevent Diabetes 2019* Blue Fund grant award. Due to Albany County Department of Health (ACDOH) COVID-19 containment and mitigation responsibilities (commencing in March 2020) *Developing Community Partnership to Prevent Diabetes* work activities were abbreviated and implementation was motivated. Additionally, the Centers for Disease Control and Prevention (CDC) did not initially support virtual delivery of National Diabetes Prevention Program (NDPP) classes. The extension of the contract will allow full implementation of the prediabetes public awareness campaign and provide for additional Lifestyle Coach training. The extension will allow time to offer the additional three NDPP classes to meet the original goal of six.
