Justification: (state briefly why legislative action is requested)

Local Social Service districts are required to provide emergency/transitional shelter to homeless individuals and families. This contract renewal is for two shelters for single individuals. Mercy House serves adult females and Lwanga serves adult males.

The provider assists residents in applying for Temporary Assistance, SSI/SSD and other benefits which may assist them in reducing barriers to homelessness, helps them to address other factors that underlie their homelessness and secure permanent housing or appropriate residential placement; the development of an Independent Living Plan (ILP) which, at a minimum, includes assessment of needs related to housing permanency and linkage to services designed to address the factors which underlie homelessness, assistance in securing permanent housing and/or residential placement. The shelters provide three meals a day for residents.
