Subject: Formal offer letter for Vacant Land: 63.12-3-34 Property ID (Monroe Ave)

Good Afternoon Dan, I am writing to formally submit my offer for the vacant land in question as I am abutting land owner to the property, I have carefully considered the value and currently market conditions I would like to offer \$2500.00 for the land.

I believe this offer reflects a reasonable and equitable valuation based on our prior conversation and status of the property. I am prepared to move forward promptly should this offer be acceptable to you.

Looking Forward to your response.

best regards
